Problem Areas:

The facility needs additional cameras in buildings and areas that aren't covered by cameras (foyers, chill spaces, additional outdoor areas).

Additional PREA signage and Third Party Reporting signage needs added (school, gym, dining hall).

Corrective Actions (Immediate):

There were no PREA instances for the 2021-2022 monitoring period that require immediate correction.

Corrective Actions (Ongoing):

Signage has been posted in restricted areas in which youth are not permitted, electronic locks have been added to all exterior doors. Many interior doors have also had electronic locks added.
